

Huy, 11st January 2017

Dear swimmer,

We are happy to invite you to Huy for our 50th Winter swimming across the Meuse River on Sunday 26th February 2017.

For this jubilee, we made some changes and news. We hope it will please you.

The climax of the day will be a relay. The best of the best teams will fight if the weather is correct.

To get back on earth, the drink and the jubilee lunch will take place in the IPES school restaurant.

The award ceremony will follow in the IPES theatre.

You'll find the pre-program, the menu, the « Challenge Ville de Huy » rules, and the poster attached.

As you may want to spend some days in our marvellous country, we've made a full 4 days program, especially for swimmers. We've selected some of the most interesting places to swim, visit and taste Belgian specialities.
